April's Management Discussion & Analysis (MD&A)

2022-23 Original Budget Highlights:

- * The Children's Trust continues to emphasize the importance of program spending that provides critical services for children and families in our community.
- * The Children's Trust increased its direct service funding by \$48.9 million since its last funding cycle ending in fiscal year 2018. In alignment with the strategic plan and the Board's guidance the funds will be allocated as follows:
 - Early Childhood Development \$37.8m
 - Youth Development \$62.2m
 - Parenting \$22m
 - Health & Wellness \$20.8m
 - Family & Neighborhood Supports \$15.8m
- * The Miami-Dade Property Appraiser reported an assessed tax roll of \$380 billion, which equates to approximately:
 - Based on 0.5000 millage rate (tax increase rate), ad valorem tax revenue = \$180.4m, this represents a 11.7% tax increase.
- * Miscellaneous revenues are expected to increase from the previous fiscal year. The Trust manages its funds to primarily emphasize safety, liquidity, and return (in that order). Interest rates for 30, 60, 90-day and 1-year Certificates of Deposit significantly increased late fiscal year 2022. Early indications show a steady increase to effective interest rates during fiscal year 2023. The U.S. Federal Reserve continues to increase rates, directly effecting the increasing rates offered to The Trust in both certificates of deposit and operating accounts.

Management and Non-Operating Expenditures

- * The Children's Trust has management (G&A) expenses of 6.6% of total expenses.
- * The Trust expects an increase of non-operating expenditures. The Trust budgets funds for obligations to Community Redevelopment Areas (CRAs) for the fiscal year 2023, which include Overtown and Omni areas of the City of Miami. The Trust commits these funds on an annual basis. The amount obligated to these areas depends upon the amount of ad valorem tax revenue generated by these communities. Since the Trust adopted the millage rate of 0.5000, a tax increased rate, The Trust expects to have an increased obligation to these areas.

Additional Considerations:

Property Tax Revenues

* With property tax bills mailed on or before November 1 of each year, and discounts ranging from 1-4% the sooner payment is received, The Trust records a significant amount of revenue during the months of November, December, January, and February. Below is a cumulative collection rate compared to the budget.

Month	FY 2023	FY 2022
October	0.0%	0.0%
November	24.6%	12.3%
December	83.0%	83.3%
January	87.0%	87.5%
February	89.9%	90.5%
March	91.7%	92.2%
April	96.0%	96.0%

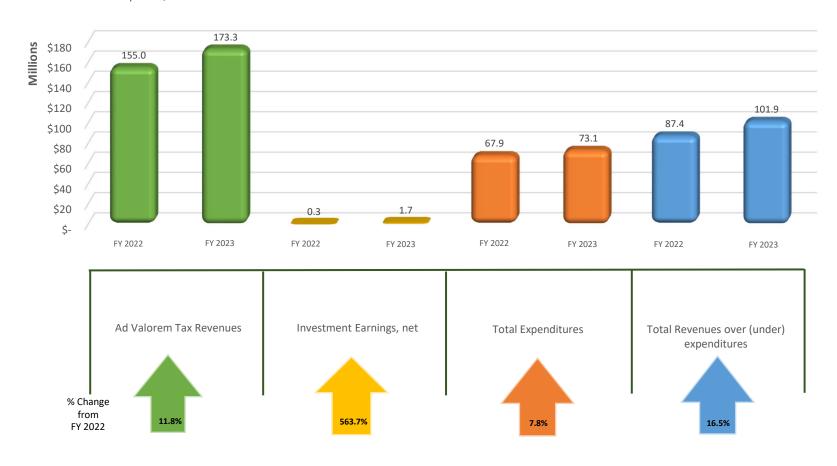

Fund Balance

Adopted a tax increase rate of 0.5000 for the fiscal year 2023, which will increase revenues from the fiscal
year 2022. Increased revenues will also increase the fund balance reserves. The Trust is preparing its
reserves to support additional funding priorities as it begins a new funding cycle in the fiscal year 2024.
The Trust's manages its fund balance within a tolerable deviation of an amount that represents 2 months
of operational expenditures, as recommended by the Government Finance Officers Association (GFOA)
best practices.
